Language skills

- ✓ Czech (Native speaker)
- ✓ Slovak (Full professional proficiency)
- ✓ English (Full professional proficiency)
- ✓ Spanish (Beginner)

Technologies, programming skills

- ✓ **Web Front-End**:
  - o JavaScript, ES6 & ESM
  - o Frameworks: Svelte, Vue, React, Polymer
  - o Lit-HTML & Web components
- ✓ **Web Back-End**:
  - o Linux & Server configuration
  - o PHP
  - o Frameworks: Laravel, Symfony, Lumen
  - o Databases: MySQL, PostgreSQL, ORACLE
- ✓ **Mobile development:**
  - o PWA & Cordova
    Native-like Mobile Apps based on Web technologies
- ✓ **Semantic web & ontology engineering**
  - o Protégé, SPARQL

Other skills and interests

- ✓ **Neuroscience:** I find joy in optimizing my daily human experience and finding a balance in whatever I do.
- ✓ Deep dive into **human consciousness** fascinates me. This journey has begun with my Cognitive Informatics studies & my interest is overlapping into AI & Neuroeconomics areas.
- ✓ I focus on **simple solutions & sustainability**… in business and in everyday life.
- ✓ I am enthusiastic barefootist & slackline walker. Which is just another way to experience the balance :) I also enjoy getting inspiration from nature, movement improvisations & creating music.
